Re: In re Olsten Corporation Securities Litigation
97-CV-5056 (DRH)

Dear Judge Hurley:

We are co-lead counsel in the referenced action. On November 29, 2005, Your Honor approved the distribution of the Net Settlement Fund to the authorized claimants.

We have been advised by the Claims Administrator that there is a balance of approximately \$152,000 in unclaimed settlement checks. All reasonable efforts to locate these claimants have been exhausted. We have prepared a motion seeking a supplemental order approving distribution of these funds to non-profit organizations, including MFY Legal Services, Inc. In accordance with Your Honor's Individual Practice Rules, we seek permission to file such motion without necessity of a pre-motion conference. We do not anticipate any opposition to the motion.

Respectfully yours,

s/Robert I. Harwood
